## **GREENHOUSE GAS REDUCTION INCENTIVE PROGRAM** **SMALL COMMERCIAL/INDUSTRIAL**

**APPLICANT INFORMATION:** (Please print or type the following information.)

Business Name

Street Address City State Zip Code

Contact Name Phone No. Fax. No. E-Mail Address

**INSTALLATION INFORMATION:** (Where ECMs were installed, if different from above.)

Name of Facility

Street Address City State Zip Code

Contact Name Phone No. Fax. No. E-Mail Address

<b>ECM DESCRIPTION</b>	<b>SPACE AREA (Square Feet)</b>	<b>ENERGY SAVINGS (Units/Year)</b>	<b>ENERGY SAVINGS (Dollars/Year)</b>

**CONTRACTOR INFORMATION:**

Business Name License Type License No.

Street City State Zip Code

Contact Name Phone No. Fax. No. E-Mail Address

Applicant's Signature: \_\_\_\_\_ Date of Installation: \_\_\_\_\_

## QUALIFICATION REQUIREMENTS

In cooperation with the NGRID's Small Business Program, the Rhode Island Office of Energy Resources (RI OER) is providing cash incentives to small commercial and industrial applicants who install high efficiency heating equipment measures. To qualify, applicants must have an average, monthly demand of 200 kilowatts (kW) or less.

### Greenhouse Gas Program Measures

ECM <sup>1</sup> DESCRIPTION	MAXIMUM INCENTIVE <sup>2</sup>	MINIMUM ENERGY RATING
Thermostat – Stand Alone	\$75/Thermostat	Programmable
Thermostat – Network	\$150/Thermostat	Programmable
Insulation – Pipe & Ductwork	\$2,000/Distribution System	RI Energy Code
Steam Trap	\$125/Trap	New or Repair Kit
Reset Control	\$400/Controller	N/A
Infrared Heater	\$500/Heater	Low Intensity Unit
Furnace	\$4,000/Furnace	90% AFUE <sup>3</sup> or TE <sup>4</sup>
Boiler		
Hot Water	\$4,000/Boiler	85% AFUE or TE
Steam	\$4,000/Boiler	82% AFUE or TE
Burner	\$750/Burner	N/A
Direct Hot Water Heater		
Natural Gas & Propane	\$500/Heater	0.64 EF <sup>5</sup>
Oil	\$500/Heater	0.62 EF
In-Direct Hot Water Heater	\$500/Heater	N/A
Custom measures	Per application	<b>Consult with Rhode Island Office of Energy Resources (#6)</b>

*Notes:*

1. ECM refers to Energy Conservation Measure.
2. All incentives are capped at 1/3 of each ECM's installed cost or a total of \$4,000 per building, whichever is less.
3. AFUE refers to Annual Fuel Utilization Efficiency for small equipment.
4. TE refers to Thermal Efficiency for larger equipment.
5. EF refers to Energy Factor for small direct-fired hot water heaters.
6. If you wish to install an ECM which does not appear on this list, consult with the RIOER for the documentation required to submit a custom measure application. Please note that you must seek approval before completing any custom measure installation.

### HOW TO GET YOUR REBATE

Complete this application; attach a copy of a most recent electric bill, and copies of your dated receipts/invoice documenting the purchase and installation of the equipment. Also, please provide a copy of the Mechanical Permit and Final Inspection where applicable. Please allow six to eight weeks for processing. The rebate program applies to equipment purchased and installed between January 1, 2007 and December 31, 2007 (subject to funding availability).
